Building 7-8 – Existing Conditions

Lawrence County School District Scope / Project Estimate – option I.

- I. Renovate/upgrade Rod Paige existing campus to current educational standards and building codes / ADA.
 - Demolish and replace grades 5-6 classroom wing.
 - This option will take a longer amount of time – providing trailers for grades 5-6 while utilizing the grades 7-8 spaces as is.
 - Move grades 7-8 to trailers and renovate/build a connector/media center/security connection to cafeteria.

Estimated Cost: \$16M - \$17M
